

# ANNUAL EXHIBITION 2018

24 February to 4 March 2018  
The Naze Centre, Walton-on-the-Naze

We have been given the opportunity to exhibit up to 50 of our images, plus PDIs, at Essex Wildlife Trust's Centre at The Naze, between the above dates and we would like to invite each member to enter one or possibly 2 prints, depending on the number of entries received.

Should you wish to take part in this Exhibition, please note the following requirements:

- All prints to be aperture-mounted on the same colour board, provided by the Club, at a cost of: £1.00\* – assistance will be provided to those members who are not clear as to how to mount prints in this way;
- The subject-matter of the image is open, preferably new or unseen work;
- Information to be provided on each image submitted, ie; where it was taken and when, what camera was used, the ISO and aperture values - forms for this information will be provided, from next week;
- It would be appreciated if each member, in pairs, could spend at least 2 hours during the week, stewarding the exhibition;
- If an image is sold, it will be to the value of: £25.00; 10% of which will go to the Trust;
- PDIs can also be entered;
- Our Outside Competition Secretary has asked if members could avoid using prints or PDIs from the 2016/17 season, as they may be required for outside competitions;
- Images will be required to be submitted **by 2 February 2018**

*\* The cost of the board will go towards the Club's donation to the Trust, for the use of the exhibition space*
